

Good things are happening in the West. As we grow, our new Footscray Hospital will be there, helping to keep our community healthy and happy.

There's so much to see in our area.

- Can you find the spot where the new Footscray Hospital will be built?
- Can you see the seagull eating chips?
- A bowl of Vietnamese pho?
- The Aboriginal flag?
- Can you spot the rap dancer?
- A dog wearing a beanie?
- Can you see the fish truck?
- How about the shipping containers and crane?

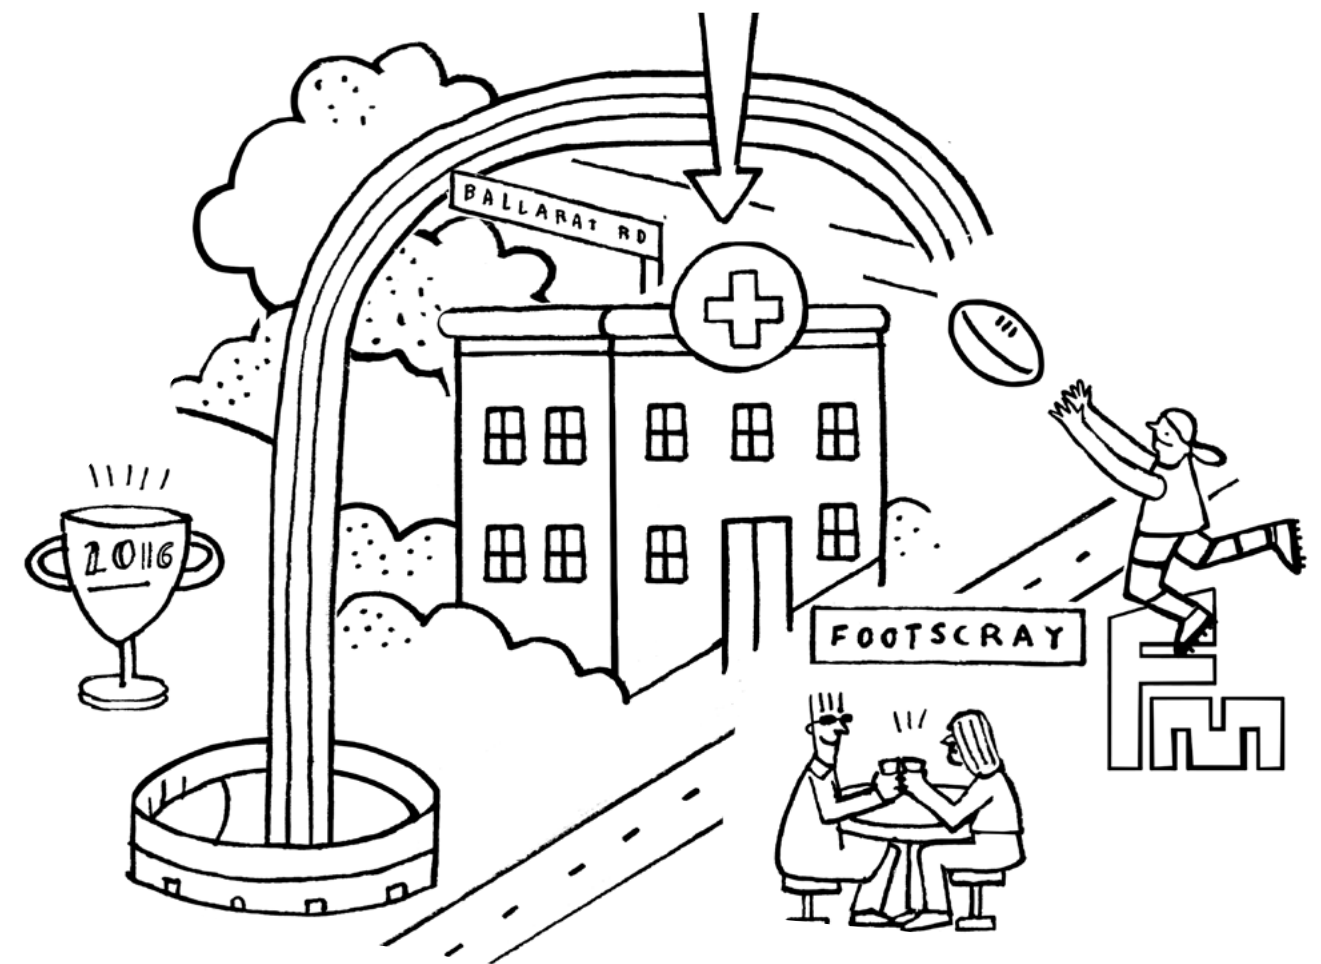

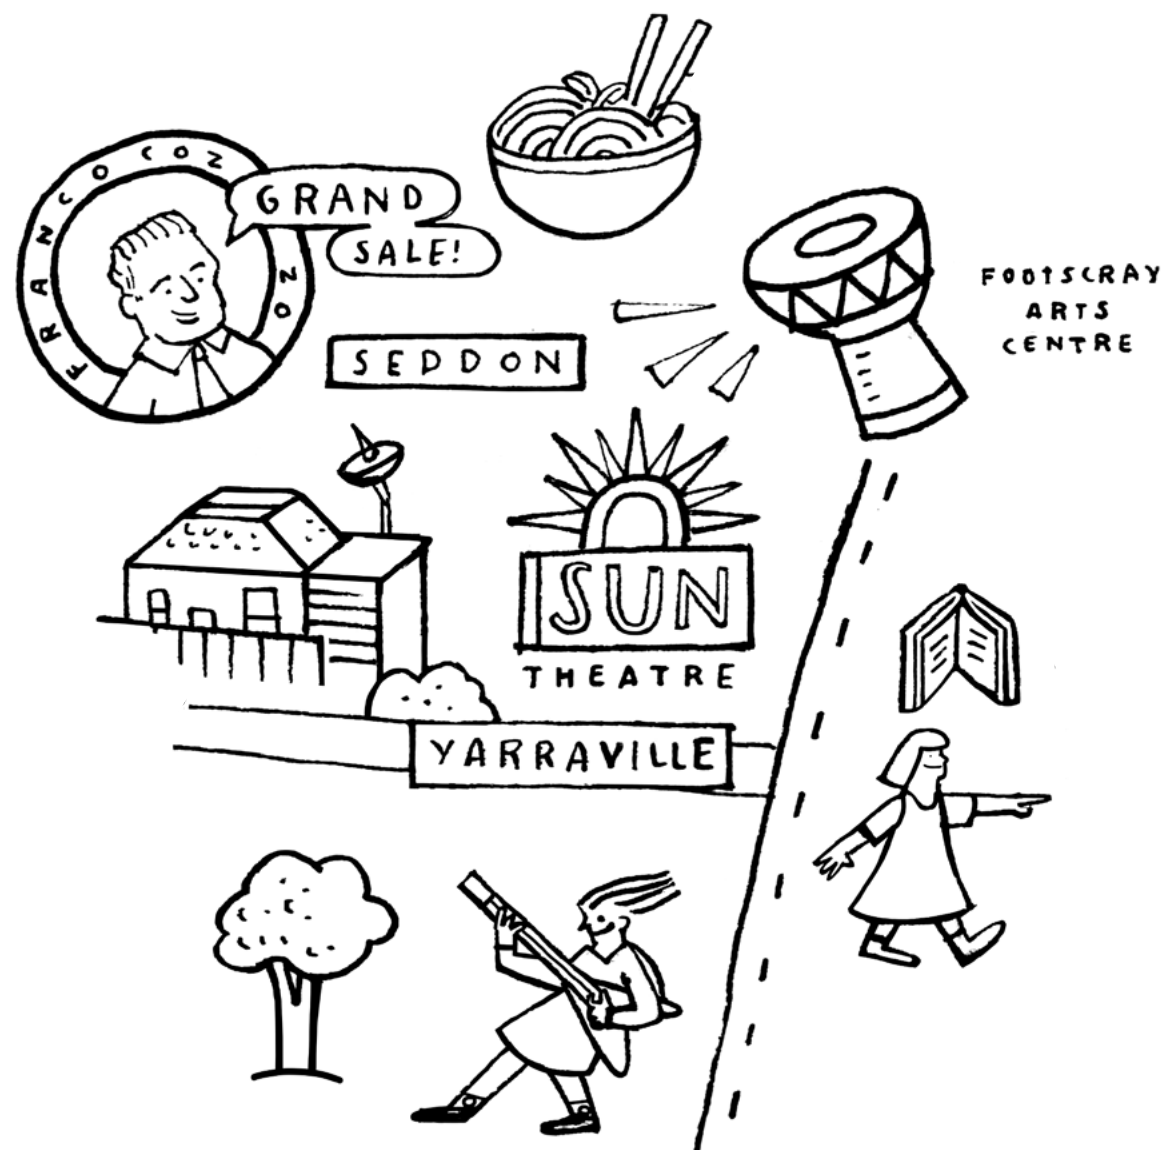

Our new Footscray Hospital will give our community the care we need, close to home.
